

**Interviewer:** Mm-hmm. Does it—So you don't even know if it's going to sort of help your grade, like knowing that you're not getting great feedback, so maybe grading should be easier, because you didn't get so much help? OK.

**Pine:** Yeah.

**Interviewer:** Yeah. Definitely a waste of time?

**Pine:** See, that's the problem. So if I sit among those domestic students, I can exchange my paper with domestic students, not Chinese students, so probably peer review will be a little worthy than what we just did [in class].

**Interviewer:** Right.
